

## WHY STUDY AT BSBI?

International students studying with BSBI can benefit from:

-  **Excellent student support:** At BSBI, industry experts and guest speakers provide knowledge to small-sized classes.
-  **Free German language lessons\*:** This helps students increase their employment opportunities in Germany after graduation.
-  **Online resources:** BSBI has integrated the Virtual Learning Environment (VLE) and e-learning programmes into the heart of its teaching.
-  **Dedicated career service:** Including CV workshops, networking events, and personalised advice to help students fulfill their career aspirations.
-  **Post study German visa\*\*:** Upon graduation, students can apply for a job-seeking visa that will allow them to work without limitations.
-  **Free Legal Support:** BSBI's legal partners SERS provide visa advice and support completely free of charge.

\*Only available in Germany

\*\*After successfully graduating in Germany and supplying confirmation, you will be entitled to apply for an 18-month post-study residence permit to find employment in Germany, that is relevant to your degree. Postgraduate students who complete their programme in Paris are entitled to apply for a 12-month post-study residence permit to find employment in France, that is relevant to their degree. If you start your course in Paris, Athens or Barcelona and successfully complete it in Berlin, you will also be entitled to apply for the 18-month post-study residence permit to work in Germany. Please note that the final decision will be made by the relevant authority.

## INTERNATIONAL STUDY EXPERIENCE: A MULTI-CAMPUS EXPERIENCE

### Taking your education, global

Students can gain a unique, multicultural education with BSBI's international experience programme, allowing them to explore more of Europe and embrace different cultures during their studies. Degrees can now be started in Paris, and at our new campus in Barcelona, before being completed at our main campus in Berlin.

It's as simple as that – and we'll provide support with student applications, visas, accommodation, and enrollment when they arrive in their chosen location.

Why have a multi-campus experience?

1. Cultural exchange
2. Explore more of Europe
3. Enhanced European experience
4. Embrace a wealth of culture
5. Low cost of living in Berlin and Athens

Start your learning journey in Paris or Barcelona, complete your studies in Berlin

### New Alte Post Campus

BSBI's new, main campus is housed in the iconic Alte Post building, which seamlessly blends modern interior design with historic architecture, offering students an unparalleled learning environment with over 17,000 square meters of space. As an institution that values diversity and innovation, this distinctive location reflects BSBI's commitment to global education and cultural exchange. The Neukölln district, known for its cultural diversity, is the perfect place for BSBI to call home and contribute to the vibrant community.
